JAZZ

Jazz is a distinctive and modular design, developed to suit various space requirements. Jazz's swivel tablet and cup holder allow users to quickly transform a chair into a collaborative space. Jazz's wide choice of leathers and fabrics allows a much more attractive approach with the utmost in flexibility, function, and value.

Jazz is available in a variety of configurations, including the addition of a beautifully sculptured beveled edge tablet arm and cupholder. Jazz's functionality and durability make it the best offering to make any space the right space for productivity and collaboration.
