

CTX™
(TABLES)

An agile collection offering the flexibility to adapt, grow, and reconfigure.

Meet a spectrum of planning possibilities.

An agile collection, perfect for a multitude of applications such as café, collaboration, meeting, lounge, break rooms, hospitality and more. CTX is a collection of clean and crisp C, T, U and X-base tables that feature a cohesive design aesthetic, encompassing a slim low-profile foot and a multitude of power and data options.

- Bases are available in C, T, X and U style legs.
- X bases can be specified at café, bar, counter, or occasional height.
- C, T, and U bases can be specified at café, or bar height.
- Bases accommodate various size tops from end tables to conference room applications.
- Optional modesty panels provide front or wrap around seated privacy.
