SEATING

TRIBUTE

Modern elegance defines the Tribute collection. Its clean lines and fine detailing make the Tribute collection a comfortable, stylish solution that is ideal for a multitude of spaces. This series includes one, two, and three seat lounge models that feature a high-density, high-resiliency foam seat and backrest, and removable seat cushions. Choose contemporary silver post legs or the more traditional wooden legs for a look that best suits your environment.

what is duratek?

DURATEK by OFGO STUDIO is an advanced construction method designed to create a tough, durable frame, ensuring comfort and long lasting performance. By replacing traditional hardwood with steel, DURATEK leverages the highest strength-to-weight ratio of any building material to offer enhanced durability. This innovative approach also enables true modularity with easy parts replacement.

D

Denver
