

VITA

Statement of Line

Create the perfect table to match any environment.

VITA collection tables are suitable for a variety of applications, including cafe, break rooms, collaborative spaces, and private meeting spaces. Offering a durable design with integrated leveling, three standard heights, two base styles, and a great selection of finish options.

- Bases can be specified at cafe, bar, or occasional height
- Bases are available in round or square shape in a variety of sizes
- Bases accommodate various size tops from end tables to conference room applications
