MULTI-PURPOSE TABLES

SOMMET

- SOMMET collection tables are suitable for a variety of applications, including cafe, break rooms, collaborative spaces, and private meeting spaces.
- Available in two standard heights: coffee height (17.5"H) and seated height (29"H).
- Available in three standard finishes, black, silver and white powder coat.
- Bases are constructed of a solid steel metal plate and available in two base styles: disc or square.
- Worksurfaces are 1" thick, solid core, 45 pound density particle board, finished on both sides with thermofused laminate. Rectilinear surfaces are manufactured with INVISA edge band for a permanent seal on all sides.
- Legs supports are 3" x 1" and comprised of heavy 14 guage power coated steel.

The beautifully angled leg of SOMMET offers clean lines alongside durability.
Legs can be positioned in multiple directions to accomodate various applications.
