

CROSBY™

## Comfort and Durability for Inviting Spaces.

CROSBY™ offers a comfortable seating solution to create inviting spaces. Featuring an organic shape inspired by the classic tub chair, it's the perfect transitional design for any environment. CROSBY prioritizes relaxation with ample support, while maintaining a sleek profile. The single-seat, available as stationary, mobile, or with a swivel-return, is ideal for individual focus spaces. Two and three-seater sofas are also available for larger collaborative spaces. Built with JIGSAW construction for enduring comfort and longevity, this collection seamlessly integrates into any space while offering exceptional value, style, and a wide range of textile options.
